

MINUTES OF NORTH LAWRENCE FISH & GAME SENIOR CLUB

AUGUST 1, 2024

President Jeff Barnhart opened the August 1, 2024 meeting to 18 members with the Pledge of Allegiance. A blessing was then given by the club's chaplain, Gary Kreider, remembering our country, club members, officers, and volunteers.

Show and Tell was entertaining and educational. Pistols, military rifles, and sporting weapons were exhibited along with stories to match. Next month's show and tell is anything.

Frank then showed a video on Glock pistols showing mechanics and modifications, which was informative.

A special thanks to those who volunteered for club maintenance, activities and events. Please remember meeting attendance. Be sure to inquire at the club's office about the new club logo hats and coffee cups.

Next month's meeting will be Thursday, September 5, 2024.

Minutes recorded by Temporary Acting Secretary, Garland Parsons
