

# **MINUTES OF NORTH LAWRENCE FISH & GAME SENIOR CLUB**

**OCTOBER 3, 2024**

To an almost full room President Jeff Barnhart opened the Oct. 3, 2024 meeting with the Pledge of Allegiance. A prayer was offered by the club's chaplain, Gary Kreider, remembering those members who have passed away, remembering those are ill or are in need. We also want to remember the club officers, volunteers and members.

Frank spoke of the club purchasing five 22 cal. pistols for youth day, which will be paid for by a blending of bereavement donations and a senior club donation. A discussion of rising expenses was held and how to meet them and to continue maintaining and making acceptable improvements.

Show and Tell was a very interesting assortment of knives, bayonets, and pistols. There is another M-1 Rifle raffle. Tickets are available at the club's office.

A special thanks to those who have volunteered for club officers, maintenance, activities and events. Please remember meeting attendance. Be sure to inquire at club office for club logo hats and coffee cups.

Next month's senior meeting is Thursday, Nov. 7, 2024, and Show and Tell is military knives.

Minutes by Recording Secretary, Garland Parsons
