

## **MINUTES OF NORTH LAWRENCE FISH & GAME SENIOR CLUB**

**DECEMBER 5, 2024**

To an almost full room in weather that closed some schools, delayed school starts & delayed air flights, President Jeff Barnhart opened the Dec. 5, 2024 meeting with the Pledge of Allegiance. An opening prayer was offered by Chaplain Gary Kreider remembering club members, officers, volunteers, the new administration and those in ill health. The club was able to donate \$500 and a large quantity of food. A special thank you to all who donated to the food bank at the North Lawrence Chapel of the Cross.

All the pistols for Youth Day were paid for by donations, so no funds were needed to be donated from the Senior Club's treasury. Ron spoke and displayed the club's defibrillator and a suggestion was made to offer club members a course on its operation and C.P.R. training. The M1 rifle raffle is still running, but getting close to the drawing, so purchase your ticket soon.

There was also much discussion on the water drainage ditch in front of the Scout House. This is going to be an ongoing project with answers in the future. The gate is now done and new FIB cards will be issued soon using a touch pad. By March 2025 all should be in operation.

Jeff announced that Mike Passalacqua is retiring from his position of club treasurer. Mike has been a member for almost half a century and is one of many

who worked and volunteered to help build our club from a simple shooting range. If anybody could volunteer to fill the Senior Club's position of treasurer please tell Jeff or any club officer.

The January meeting will be on Jan., 3, 2025. Show and Tell is anything and if you have shooting or fishing item you would like to have appraised or to sell bring it along. There are also logo hats and coffee mugs for sale in the club office. The mugs will make a bad cup of coffee a good cup of coffee. Schedule time to volunteer and attend meetings. Wishing all a Merry Christmas and Happy and Healthy New Year.
