

MINUTES OF NORTH LAWRENCE FISH & GAME SENIOR CLUB

APRIL 3, 2025

To an almost full room the monthly April 3, 2025, the meeting was opened by President Jeff Barnhart with the Pledge of Allegiance. Chaplain Gary Kreider offered a prayer remembering the Easter holiday, club members and our government.

An information update was discussed about the Glock pistol being converted to automatic which is very illegal. Also, the recent accidental rifle firing at an Ohio gun show was a reminder to make firearms safety a priority. The discussion continued to include the necessity of guests to sign in which acts as a waiver for insurance purposes, plus who is where and when they are. Plus don't forget the \$10 fee.

A quiz was given on the identification of 36 local animal tracks and prizes were given. Show and tell was on Native (American) Indian items. There were many arrow and spear heads. Bob brought in some very prehistoric items, all very interesting.

Next month's show and tell will be your favorite shotgun. Remember the sale of logo coffee cups and hats and to schedule your time to volunteer and to attend meets. Next month's meeting is Thursday, May 1, 2025.

Minutes by Recording Secretary, Garland Parsons
