

# **MINUTES OF NORTH LAWRENCE FISH & GAME SENIOR CLUB**

**JUNE 5, 2025**

To an almost full room the monthly May 1, 2025, the meeting was called to order by President Jeff Barnhart. After the Pledge of Allegiance a prayer was offered by Chaplain Gary Kreider for our country, the clubs' members, officers and those members who have passed on or are ill.

There was a discussion of the upcoming Youth Day Event on Sunday, June 8. There are 60 youth signed up and members have volunteered to fill any staff vacancies. Ticks were discussed and plenty of spray will be available.

For Show and Tell Mike had a beautiful stone head from a war club, Bob had a light weight fly rod, and Jeff a steel fly rod and a Huckleberry Finn fishing pole.

We would like to thank those volunteers who have spent many hours on the club's grounds preparing for the Youth Day Event along with other events and maintenance. Remember the sale of logo coffee cups and hats and challenge coins and to schedule your time to volunteer and to attend meetings. Show and Tell for next time is pocket knives or anything of members' interest.

Minutes by Recording Secretary, Garland Parsons
